

# Packaging Instructions

## 1 Group your Disc Types...

1) Blu-ray/ PS3 Discs (together)

2) Double Sided DVDs

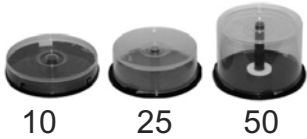

3) Standard CDs, DVDs

**Use 3 Rubber Bands to Bundle  
Do Not Use Tape**  
(will cause damage to labels)

Or you may package your discs using a safe Disc Transporter (Cakebox) if you have them. Tape the top & bottom of the Cakebox to prevent it from opening.

Safe sizes up 50

Taller sizes are known to break

## 2

Next place discs or Cakebox in a box and cushion the discs with paper or bubble wrap for safe traveling. Then place a copy of your receipt / invoice in the box and seal.

## 3

Add your return address to the Label Provided Below

Tape the paper return label with clear packaging tape to seal from water damage.

Seal the box and send the package to us using the carrier of your choice.

Be sure to add insurance, and tracking and keep your receipt. Your discs will be repaired and promptly returned.

Print and Use the Label Provided Below

**Fill in your Return Address**
